The F/LINE 33 Outboard's adaptability is what makes it so appealing. Your guests will be able to stretch out in comfort because of the considered space. The innovative 'Ascender' bathing platform means you can take simple dips into the blue, with steps on both sides making access easy. And the powerful twin Mercury Verado engines being within reach means easier maintenance.

The standard features at the helm include a 2x7" display screen, Garmin VHF 315i marine radio, analog gauges for engine tachometer, engine temperature and fuel tank levels, bucket seats, electronic single-level throttle, full engine monitoring including a digital tachometer, oil pressure gauges, audible alarms, engine hour meters, helm position indicators, compass, high-speed magnetic compass and USB socket.

Other Features include bedding, sofa, electric control panel, extractor fan, eye-level storage lockers, fire extinguisher, first aid kit, water tank, waterproof speakers, hot and cold water transom shower, water tank, calorifier hot water system, holding tank, twin fuel tank and more!
