2021 Beneteau America Flyer 10, the ultimate vessel for luxury and adventure on the water. Equipped with twin Mercury 300HP four-stroke outboards with JPO, this beauty offers unmatched performance and reliability for your boating pleasure.

Step aboard and experience the true meaning of comfort and style. With a spacious design that can accommodate up to 11 passengers, you and your guests will have plenty of room to relax and enjoy the open waters. The helm is fitted with a state-of-the-art Multifunction 16" Garmin 8416 XSV screen, providing you with all the navigation tools you need for a smooth journey. The bow thruster ensures easy maneuverability, while the Garmin GT21 sensor enhances your fishing experience.

The cabin of the Beneteau Flyer 10 is a haven of luxury and convenience. Stay overnight in style with the air-conditioned forward cabin, mid-cabin, and head. The forward cabin features a salon dinette that easily converts into a double berth, providing a comfortable sleeping space. With ample storage options throughout, including overhead and cubbyhole compartments, you can keep your belongings organized and easily accessible.

In the mid-cabin, you'll find a cozy double berth and a panoramic hull window that offers breathtaking views of the surrounding waters. The well-appointed head includes all the essentials, such as a sink, mirror, storage cupboards, and a marine toilet with a generous 21-gallon holding tank. You'll feel right at home, even when you're away from the shore.

The exterior of the Beneteau Flyer 10 is designed for both relaxation and entertainment. Lounge on the spacious sun bed, soak up the sun, and enjoy the stunning views. The large cockpit lounge with a convertible table allows you to easily transform the area into an aft sun bed, perfect for unwinding after a day of adventures. Take a refreshing swim with the integrated swim platform and ladder, and rinse off using the convenient cockpit shower.

This vessel is packed with additional features to enhance your boating experience. The deck galley is equipped with a fridge, sink, two-ring hob, and ample storage, allowing you to prepare delicious meals on board. The electric windlass, water heater, cockpit courtesy lights, and underwater lights are just a few of the options available to customize your Flyer 10 to your exact preferences.

Don't miss the opportunity to own this remarkable Beneteau Flyer 10. With its sleek design, powerful performance, and

luxurious amenities, it's the perfect vessel for unforgettable adventures on the water. Contact us today to make this dream a reality and start creating memories that will last a lifetime.
