Summary/Description

This second owner vessel has been meticulously maintained by its current owner for the past 20 years with an open checkbook. I believe it's the cleanest one on the market today. Powered by twin 480 HP Volvo Diesel Inboards with EDC (Electronic Diesel Controls) a substantial upgrade from the standa

This second owner vessel has been meticulously maintained by its current owner for the past 20 years with an open checkbook. I believe it's the cleanest one on the market today. Powered by twin 480 HP Volvo Diesel Inboards with EDC (Electronic Diesel Controls) a substantial upgrade from the standard control system. Easy shift and throttle with only two levers instead of four and far better fuel efficiency with fuel injection. Engines only have 1100 hours. An all white hull still shines. A premier testament to Formula's reputation and quality. 10 KW Kohler Generator was completely rebuilt out of the vessel in 2018 now with only 1564 hours with new soft sound shield for easy servicing. Two Air Conditioners will cool you and your passengers quite comfortably has just been serviced. Both 17,000 BTU and 7,000 BTU units were replaced in 2018 & 2019. Sleeps two in the private master cabin forward with its own door to the head, two in the convertible sofa, and two in the aft cabin. It has all the conveniences you find in a luxury Cruiser. Large Galley with full size fridge/freezer, Microwave/convection oven, two burner stove, double stainless steel sink and plenty of cabinetry storage. Enjoy a full standup head with separate stall shower. Electronics include a Furuno Navnet GPS/Plotter/Sounder system with an open array radar. VHF Radio, Auto Pilot, Bottom machine. Remote Spotlight and TV antenna. Three newer flat screen smart TV'S with Roku. Full Camper Canvas set (not shown) with screens ,Bimini Top, Cockpit cover, dash cover and bow sun pad cover. Hot/cold transom shower. The walk thru windshield is a bonus for easy entry to the bow for sunbathing. The stainless steel windshield frame looks as new as the day this fine vessel was built. Formula quality no doubt.

Two corion cockpit tables (one shown) and two bar stools for salon (not shown)

Spacious swim platform with its wide 13.6" Beam. Electric/hydraulic engine hatch with pull down ladder for easy access and maintenance.

If you want a well maintained luxury Cruiser to live aboard or Island hop, look no further. This is a lot of boat for the money. Hurry for this one!
