Designed to maximize your time on the water, the Sport 800 by Highfield is a sophisticated and versatile towable powerhouse. With adaptable seating configurations, it offers ample space and comfort for the whole family to dine and unwind. Equipped with a hard T-top option, complete with LED lighting and speakers, it provides excellent shelter and a stylish aesthetic regardless of the weather. On sunny days, an additional sunshade extension offers extra protection.

Anchoring is made easy with the windlass, setting the stage for a perfect day on the water. A fridge keeps your picnic cool as you relax, while stern swim platforms with two swim ladders make reboarding effortless after a refreshing swim. The rear 4-seater bench converts into a spacious sundeck, maintaining a clear line of sight when utilizing the tow post for watersports. A 30-liter freshwater shower integrated into the large rear locker allows for convenient rinsing after water activities.

Beyond leisure, the Sport 800 boasts a 26-degree deadrise hull, derived from the renowned Patrol hull, ensuring safe navigation through rough waters. The wide console offers shelter and ergonomic design, with the option for a portable toilet. Bucket-style seating for the driver and passenger ensures excellent comfort whether sitting or standing. With a large fuel tank providing extended range, you can confidently explore distant destinations. LED courtesy lighting throughout enhances the boat's luxurious style for nighttime adventures.
