The elegant lines of the all-new V60 encapsulate an expansive and sociable cockpit arrangement with a generous seating area and fully equipped wetbar with barbecue. Forward on the main deck a retractable sunroof reveals the skies above at the touch of a button. When at anchor, the electro-hydraulic bathing platform creates a convenient launch system for a 10 Ft tender, a jet ski, or it simply becomes a secluded swimming platform. Below deck, six guests are comfortably accommodated across an en suite full-beam master stateroom and two further guest cabins.
