Heads: 1

Knots  
Knots  
Fuel Type: Diesel  
Hull Material: Fiberglass

HIN/IMO: R35XXX

## Engines/Generators

### Engine 1

Volvo  
V8 Aquamatic  
Inboard  
430HP  
Fuel: Gas/Petrol  
Serial #: null

### Engine 2

Volvo  
V8 Aquamatic  
Inboard  
430HP  
Fuel: Gas/Petrol  
Serial #: null

## Summary/Description

For Sale

### CALL FOR AVAILABILITY

Provocative, cutting edge, exhilarating - 35ft in length, fully carbon fiber, powered with V8 engines and with an impressive top speed of 50 knots - announcing the highly anticipated, all-new R Class.

Princess Yachts are proud to have partnered with BAR Technologies and Pininfarina to bring a whole new breed of yacht to market with the very latest in advanced technology and naval architecture. The all-new R Class will feature the unique Princess Active Foil System (AFS) and deliver the fastest and most efficient Princess boating experience to date. The striking exterior reflects one of the most compelling and innovative designs we have ever created and conceals a spacious cabin within. Featuring a well equipped galley and seating area, with the added flexibility to convert to a generous double berth, further complemented by an ensuite.

This ground breaking new yacht remains a true Princess at heart with the same level of comfort, practicality and seakeeping found on any other Princess yacht, combined with the very latest design thinking from the Princess Design Studio and progressive performance technology.

The all-new R35 - an entirely new class of yacht.

### DECK FITTINGS

- Esthec-laid transom platform, cockpit deck, foredeck, steps to side decks and side decks
- Reversible electric anchor winch with helm position and foredeck controls
- Self-stowing 16kg galvanized anchor mechanism with 30m of galvanized chain
