Summary/Description

For Sale

AVAILABLE FOR DELIVERY WINTER 2024-2025

From the moment you step aboard her teak decking, luxurious space is a constant companion. Her flybridge enjoys a convertible sunbed, twin helm seats, a wetbar and ergonomic dining areas. Vast panoramic saloon windows and signature wrap around front screens offer uninterrupted vistas from the main deck whilst expansive hull windows generously flood her accommodation areas with light. This oasis of calm can then be propelled to a top speed approaching 33 knots, and all with nimble composure. Magnificent performance and uncompromising comfort in equal measure.

The F55 interior has an architectural presence and elegantly uses contrasting surfaces whilst retaining the elegance that Princess interiors are renowned for. Her spacious saloon features a U-shaped sofa opposite a twin sofa with the option of a folding leaf dining or coffee table in between. Below, both the master stateroom and forward cabin feature large double beds whilst the starboard guest cabin with two single beds can also be converted in to a double. There is also the option for a single bed aft cabin. All are en suite of course.

Available for co-brokerage contact Mike O'Hara at 609-661-2114
