Summary/Description

For Sale

The 44 Viking Yacht Convertible is a comfortable, capable tournament contender as well as a luxury cruising yacht with two staterooms and 119 square feet of battleground in a cockpit.

As with Viking's 44' Open, the 44' Convertible is designed for those customers who find this size Viking fitting their needs for space, layout, and performance, utilizing the conventional drive system. The layout designed with the midship master and large salon offer amenities that are found in much larger boats.

Taking a handful of the common options that were ordered with the 42' Convertible, Viking made them standard in the 44. With her excellent fuel capacity and big power options, she makes for the perfect next step for the owner moving up the Viking ranks or for the sportfishing enthusiast who wants more boat than many large center consoles can deliver.
