Summary/Description

For Sale

Equipped with a climate-controlled command center, captains and owners can confidently navigate without having to worry about weather conditions. The wraparound windshield offers exceptional visibility from every angle, ensuring a safe and enjoyable journey. The raised helm console, expertly crafted to match the shape of the windshield, houses all the necessary electronic components, engine controls, and Optimus electric power steering. With sleek black Ultraleather surfaces and a glare-reducing visor, the overall experience is taken to new heights.

The Viking 64 Enclosed Bridge also features a second salon, a luxurious private sanctuary where you can kick back and relax. Complete with a cozy L-shaped lounge, refrigerator, cocktail table, and entertainment center, this space is perfect for entertaining guests or simply enjoying some peaceful solitude.

The 64 EB boasts a spacious 180-square-foot cockpit, designed with freedom of movement in mind. With easy access to storage and service areas, this cockpit comes equipped with standard features like flush rod holders, wash down systems, and side lockers for convenient storage. Additionally, the cockpit includes a transom fish box with a live well, rounded coamings with subtle rope lighting, and a centerline lazarette hatch that provides full access to the available [Seakeeper 26](#) and other components.

The accommodations on the Viking 64 Enclosed Bridge are nothing short of luxurious and well-appointed. The port-side companionway and four staterooms feature premium carpeting, air conditioning, and LED lighting. The master and forward staterooms offer queen-size walk-around berths and ample storage. The midship master stateroom includes maple-lined hanging lockers, a credenza, end tables, and an HD TV. The forward guest stateroom provides hanging locker storage and cabinets on both sides of the bed. The port side encompasses a guest stateroom and a crew stateroom, both designed with luxury and attention to detail. The guest stateroom features side-by-side bunks, while the crew quarters offer upper and lower bunks.
