Inboard
2002HP
1492.89KW
Fuel: Diesel

Summary/Description

For Sale

Viking's design of the 68 Enclosed Bridge model presents another impressive model in the Enclosed Bridge lineup. Viking Yacht's 68 Enclosed Bridge is a great option for those who want to extend the fishing season or who need the extra comfort and space.

The Enclosed Bridge model provides a forward console station, a pod-style aft docking station, a lounge and a custom stainless steel spiral staircase that joins the bridge and salon. The climate-controlled bridge serves as a second salon and allows for Captains and owners to be comfortable in a controlled air conditioned environment.

Both the Open and Enclosed Bridge models share the same salon, island galley, and four stateroom layout. A high-gloss walnut finish decorates the entire interior, and large hull-side windows draw in plenty of natural light.

Call today to speak to one of our Viking Specialists about this 68 Enclosed Bridge, or any other Viking Yacht of interest.
