Summary/Description

For Sale

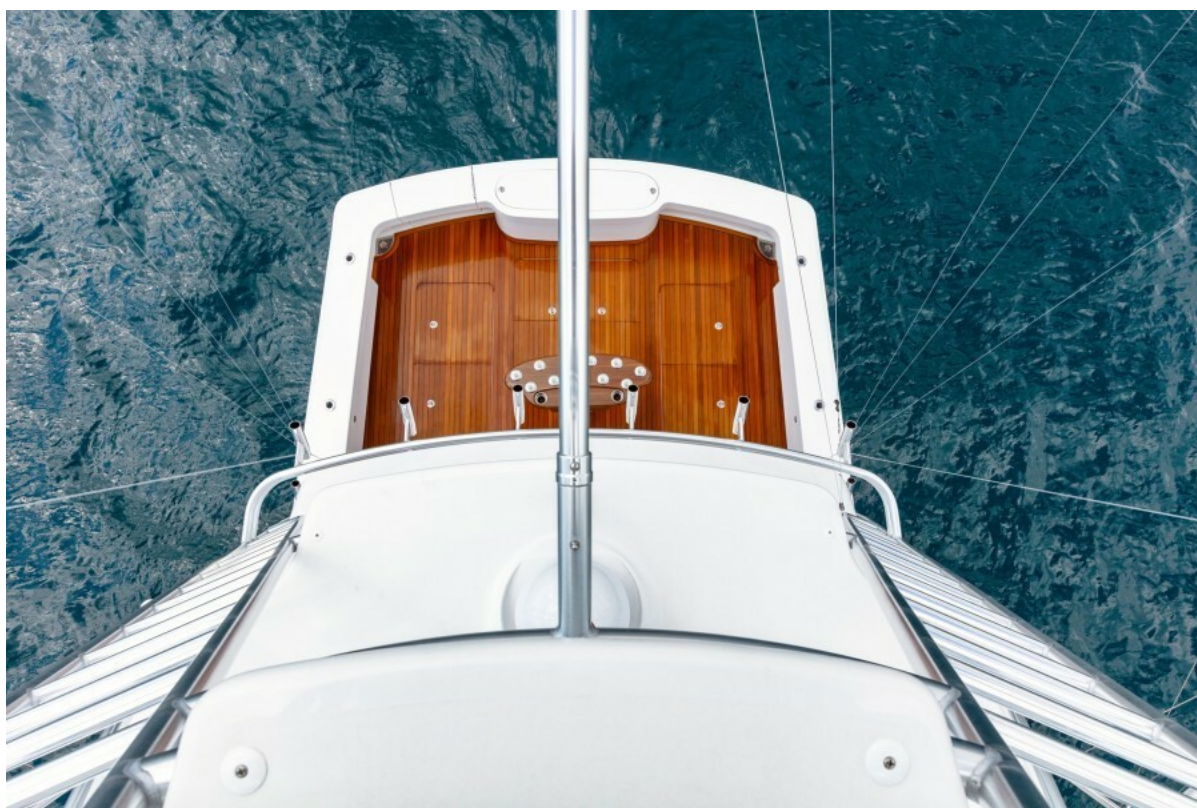

The three-stateroom, two-head blue runner of the 58 Viking Convertible yacht will exceed all expectations as both a tournament champion and versatile family cruising yacht with the quality, comfort and superior engineering you've come to expect from Viking Yachts. You'll be hard-pressed to find a boat with a cockpit larger than the 58 Convertible's, matched with an abundance of storage and an arsenal of fishing equipment. This all-new generation Viking hull design will carry aft chines at full width for added efficiencies and reduced draft allowing the 58 Convertible to compete with all boats in the 60-plus-foot range.

She is not only a beast, but she is a beauty too! The Viking 58C comes on strong with Viking's signature walk-around center console flybridge helm and a 165-square-foot cockpit with a spacious observation mezzanine. The three-stateroom, two-head layout provides a comfortable arrangement while taking full advantage of the vessel's large 17' 9" beam. The master stateroom has an athwartship walk-around bunk with full-size his/her closets aft. The salon and galley arrangement provide the perfect mix of amenities for entertaining, relaxing or dining and boasts an open free-flowing layout with ample seating and storage.
