Summary/Description

For Sale

The 44 Viking Open Yacht not only appeals to families ready to take the next step into the Viking lifestyle, it's also a logical choice for owners of outboard-powered center console boats looking for more comfort, conveniences and weather protection.

The 44' Open is an evolution coming from the success from the Viking 42' Open/ST/SC. The 44' provides a similar layout and conveniences for an owner/operator like the 42' model, with the conventional drive line (transmissions, shafts and propellers) in place of the Zeus Pod System.

The interior layout provides for 2 staterooms and 1 head with the guest stateroom being a mid ship double. The large galley area is utilized along with the increased size in the command deck for entertaining.
