Summary/Description

For Sale

The Viking 48 is available as either a Sport Tower or a Sport Coupe. The two versions of the Viking 48 are completely unique with exciting profiles, with each featuring three sided fiberglass, air conditioned deckhouses. Adding dashing definition and versatility, this yacht can be further personalized with a Palm Beach Towers tuna tower for the Sport Tower version or fitted with a radar arch or fiberglass mast for the savior-fair Sport Coupe.

The 48 Sport Tower and 48 Sport Coupe share a commonality of plush comfort and entertaining amenities with the Viking 48 Open.

Powered with MAN diesels the 48ST/SC will cruise at 30 knots with a top end in the mid 30 knot range depending upon engine selection, load, sea and other environmental factors. The raked entry and forward chine are designed to pierce through head seas and divert spray downward. Convex hull sections add curvature and form to the running surface, while molded running strakes accentuate lateral tracking and maneuverability.
