Summary/Description

The Tiara 5200 Sovran is the perfect blend of styling, sumptuous accommodations, and performance. Powered by twin 800hp CAT diesels, this 2 stateroom & 2 head sport motor yacht features a beautiful handcrafted cherry wood interior, helm station with newer Garmin GPSMAP navigational equipment, SAT te

The Tiara 5200 is an aesthetically beautiful yacht that offers sumptuous accommodations and excellent performance. "No Agenda" is well maintained and shows pride of ownership.

Accommodations

The interior of the T5200 is surprisingly open and bright for an express motor yacht. Tiara managed to create an open spacious main salon which houses the yachts well appointed galley, large port side u-shaped convertible settee, a starboard settee and entertainment area, a smartly designed guest stateroom with side-by-side single beds and private ensuite access to guest head and a owners suite with queen island bed and large ensuite head.

Salon

The salon is adorned in a satin finished cherry wood with real teak & holly planked flooring, skylights, stainless steel portlights with screens that provide excellent crossflow air throughout the interior. Tiara built-in a surprisingly amount of storage below the teak floor, and under salons settees.

- Teak & holly planked flooring
- Splendide washer/dryer located the salon stairs
- Large well-appointed galley with serving bar
- Port side Ultraleather upholstered u-shaped settee
- Cherry & maple burl hi-low table
- Upper storage cabinets above the port side settee
- Bose Lifestyle stereo surround sound system
- Samsung 32" UN32J5500AF TV
- Samsung DVD player
- Fireboy Carbon Monoxide detector
- Smoke detector
- Kidde BC fire extinguisher
- Chelsea clock, barometer & temperature set
- Forward starboard side L-shaped settee

- Reverse cycle air-heating system
- In floor storage

Owners Suite

The owners suite is a combination of cherry wood and soft light fabrics that creates a soothing and relaxing atmosphere. Features include a pedestal queen island bed, port & starboard upper storage cabinets, hanging lockers, storage locker with shelving, vanity with stool and mirror, port & starboard stainless steel portlights with screens, teak & holly flooring, and an ensuite head with stall shower.

- Cherry wood and soft white fabrics wall coverings
- Pedestal island queen bed with custom bedding
- The base of the pedestal bed pivots to offer access to excellent storage
- Padded headboard - headboard reading lights
- Teak & holly planked flooring
- Stainless steel portlights with screens
- Skylight
- Bose speakers
- Fireboy Carbon Monoxide detector
- Smoke detector
- Kidde BC fire detector
- Reverse cycle air-heat system outlets
- Vanity with swivel stool, 120VAC outlets and make up mirror
- 2X Hanging lockers
- Storage locker with shelving
- Ensuite head

Owner's suite head

The head cherry vanity with a solid surface countertop, medicine cabinet, Vacuflush toilet, compass rose floor inlay, stainless steel portlight with screen and a stall shower.

- Cherry wood vanity with solid surface countertop
- Undercounter sink with Grohe faucet
- Compass rose floor inlay
- 120VAC GFCI protected outlet
- Vacuflush toilet
- Stall shower with Grohe fixture

Guest Stateroom

The guest stateroom offers side-by-side single berths, hanging locker, stainless steel portlight, reverse cycle air-heat system outlet, 120VAC outlet, Fireboy Carbon Monoxide detector, Kidde BC fire extinguisher, teak & holly planked flooring and ensuite access to the guest head.

- Side-by-side single beds
- Nightstand
- 120VAC duplex
- Reverse cycle air-heat outlet
- Stainless steel portlight with screen
- Hanging locker
- Storage under the berths
- Headboard area reading lights
- Fireboy Carbon Monoxide detector
- Smoke detector
- Ensuite guest head access

Guest head

The guest head can be accessed from the guest stateroom or the main salon. The head features a cherry wood vanity with a solid surface countertop, Vacuflush toilet, and stall shower/water closet.

- Cherry wood vanity with solid surface countertop
- Under counter sink with Grohe faucet
- 120VAC outlet

- Medicine cabinet
- Stainless steel portlight
- Stall shower/water closet
- Vacuflush toilet

Galley

The well-appointed galley is located in the aft port side of the salon. Features include cherry wood cabinetry with Corian solid surface countertops, abundant overhead and under counter drawer and cabinet storage, serving bar, teak & holly flooring, stainless steel portlight, as well quality appliances.

- Cherry wood cabinetry
- Corian solid surface countertops
- Under counter Corian solid surface sink with single lever faucet, soap dispenser & hand held sprayer
- Overhead & under counter cabinet storage
- Pullout can good/spice rack
- Drawer storage
- Force 10 – 3 burner glass cooktop
- SubZero UC-24R refrigerator
- SubZero 249FFI freezer
- Panasonic NN-CF781S Convection microwave
- 120VAC GFCI protected outlets
- 2 New KUUMA 20 galloon hot water heaters
- Kidde BC fire extinguisher – in the washer/dryer cabinet
- Stainless steel opening portlight with screen

Electrical

Electrical power is provided via the 240V/50A Cablemaster system, a 21.5kw Onan generator and the ships DC battery system. All AC/Dc power is manager through the vessels power distribution panels.

- Glendinning Cablemaster system – 240V/50
- Foredeck 240V/50A shore power inlet
- Onan 21.5kw generator in a noise reduction sound shield

- C-Charles Iso boost transformer
- The ships power systems are 12/24VDC & 120/240VAC
- AC/DC power distribution panels
- Marine Air Systems – reverse cycle air/heating system
- Sea Recovery “Aqua Whisper” water maker
- LED lighting
- GFCI 120VAC protected outlets throughout the vessel
- Engine room DC powered air circulation fans
- Guest battery switches
- Reverso oil change system

Mechanical & Engine Room

“No Agenda’s” propulsion power are twin Caterpillar 3406E 800hp diesel engines with only 1765 hours and propels the motor yacht to 28+ knots top speed. The engine room is accessible by either a center hatch next to the helm station or through a lift up door that is located in the cockpit. The engine room is surprisingly open and bright, thanks in part to the AC/DC lighting and the white gel coated FRP ceiling.

- Twin Caterpillar 3406E 800hp diesel engines
- Twin disc MG 5112-V transmissions
- Twin disc trolling valve system – one transmission
- Racor 75/1000FGX Crossover fuel/water separation filters – main engines
- Halon fire system
- Wesmar 24VDC bow thruster
- Reverso oil change system
- Groco ARG-3000-S engine sea strainers – 2X
- Groco ARG-1750-S air-conditioning sea strainers – 2X
- Dripless shaft seals
- Fuel management manifold
- Fuel capacity 700 gallons – 1X forward & 1X aft tanks
- Water capacity – 200 gallons

- Holding tank capacity – 60 gallons

Navigation & Helm Area

The design of the T5200's helm offers the captain excellent fore and aft visibility, and the yacht's hull design lends the vessel to a just a bit of bow rise when on plane further enhancing the enjoyment while out cruising. The helm is outfitted with a full complement of engine, generator and navigational equipment, including Caterpillar analog & digital engine displays. Also, all other necessary switches such as bilge pump override, navigation lights, halon fire system and other important equipment switches are located at the helm.

- Caterpillar analog & digital engine displays
- Morse engine and transmission controls
- Bilge pump override switches
- Halon fire system override switch
- ACR searchlight remote control
- Air-conditioning & heat ducting
- Tiara rudder angle indicator
- Tiara gauge set that includes – fuel, volt meters, rudder angle indicator & bilge pump indicator lights
- Wesmar bow thruster control
- Stainless steel destroyer system helm wheel
- STIDD double width helm seat
- Perko 120VDC outlet
- USB outlet
- Battery parallel switch
- Horn momentary switch
- Opening center lower windshield activation switch
- Clarion stereo
- Windshield defrosting system

The helm is equipped with newer-2019 Garmin navigational equipment, this includes 2X GPSMAP displays, Reactor autopilot system, Fantom radar, VHF, Sonar transducer and GPS.

- Garmin GPSMAP 7612 display
- Garmin GPSMAP 612xsv display
- Garmin GPSMAP 7612xsv transducer
- Garmin Reactor 40 autopilot system
- Garmin Fantom 24 radar antenna
- Garmin GHC20 autopilot display
- Garmin VHF radio
- West Marine VHF580 radio
- Ritchie Powerdamp compass

Foredeck, Helm Seating & Aft Cockpit Decks

Foredeck

The long spacious foredeck is a perfect place for afternoon sun lounging, is safe and easy to access from the aft deck, thanks in part to the non-skid decking, the wide walkways and full length side deck stainless steel handrails. For added safety there are also white power coated grabrails on the sides of the helm enclosure.

- Bow pulpit with stainless steel safety rail
- Anchor windlass with foot activation switches and a remote control at the helm station
- Plow style anchor, chain and rode
- Non-skid decking
- Lounge area with a stainless grabrail around the lounge pad
- Stainless steel safety railing
- 3X Skylights, 2X over the salon and 1X over the owners suite
- 4X Stainless steel deck cleats

Helm Area Seating and Entertainment

The helm area offers a double width STIDD helm seat, a large L-shaped passenger settee with table and beverage center with sink, icemaker, bottle storage and a refrigerator. The helm area has a hardtop with a 3-sided FRP & glass enclosure and the aft section is a bonded poly carbonite window enclosure. The area has non-skid deck and a snap in carpet.

- Hardtop with 2X 12VDC actuated opening skylights
- Center lower windshield section that opens for air ventilation
- Air-conditioning and heat
- Beverage center with icemaker, refrigerator, sink, bottle storage and a remote control for the Clarion stereo system
- Aft poly carbonate hard window enclosure
- STIDD double width helm seat
- Large L-shaped settee with built-in storage
- Settee table
- Chart/storage locker in front of the L-settee
- Non-skid decking
- Snap in carpeting
- 120VAC & DC outlets
- Clarion stereo system

Aft Cockpit and Transom

The aft cockpit is a multi-purpose designed space. It can be used for fishing/adventure boating, lounging or alfresco dining. Features include dual settees, facing each other with 2X scissor jack hi-low tables that can be set at a height for turning the settees into a massive sun lounge, a berth or into a large dining table.

- Fore & aft facing settees
- 2X scissor style hi-low tables
- Settees convert into dining/sleeping or lounging pads
- Glendinning 240V/50A Cablemaster system
- Dual transom doors
- Fresh & Salt water deck washdown
- Transom hot/cold shower
- Port and starboard hawse cleats
- Settee canvas covers

Getting aboard "No Agenda" is easy thanks in part to the deep/long-wide swim platform and the port & starboard

transom to cockpit boarding gates. The yachts Avon 320DL center console tender is carried on the swim platform and is launched using the 1000 lb. davit that is hidden in the transom to cockpit step. Another great aft cockpit feature is the large storage trunk which is a great place to store fenders, dock poles and general boat equipment.

- Large/deep swim platform
- 4X Stainless steel safety grabrails
- 1000lb. davit – hidden under the transom step
- Avon 302DL center console tender
- Yamaha 25hp outboard engine
- Large storage trunk

Decking and Safety Equipment

- 6X fenders
- 6X Dock lines
- 2X Dock poles
- Life jackets
- 4X Kidde BC fire extinguishers
- Fireboy Halon engine room fire extinguisher system – override at the helm station
- First aid kit
- Flares
