This one-owner 2020 Formula 430 Super Sport Crossover is brand new to the market. She has exceptionally **LOW** hours (145)! Whether you are seeking high-speed thrills, a relaxing cruise, or a fun-filled day of water sports, this vessel effortlessly adapts to your desires.

Her owner seems to have added every conceivable option in curating this stunning build - Mercury Racing Quad Verado 400R with joystick piloting (400hp each with approx 145 hrs), TV3 Satellite TV system, Seakeeper 6 Gyro Stabilization System, 30,000 BTU cockpit A/C, aft cockpit electric grill, underwater multi-colored LED lights, swim platform sport station with drink holders, her bottom was last painted (white) in March 2023. She is the only one that we are aware of that has the custom option of the silver grey painted superstructure.
