## Summary/Description

The "Judy B II" has been maintained to "Like NEW" condition. If you are looking for a Quality Performance Cabin Cruiser then this boat deserves a look.

The "Judy B II" has been maintained to "Like NEW" condition. If you are looking for a Quality Performance Cabin Cruiser then this boat deserves a look. The boat was built in 2004 but there is not much on the boat that hasn't been updated as her owners have treated her with love and enjoyed cruising the beautiful waters of eastern North Carolina. Speeds to 45 mph, a 3ft draft, make this Formula 34 PC very functional.

## BELOWDECKS

Belowdecks the 34 PC sleeps up to six in a forward berth, aft berth, and convertible dinette/salon settee. Curtains provide privacy. The galley has a solid-surface countertop with a flush sliding cover for the recessed cooktop. There is plenty of stowage and a flat screen tv that can be adjusted to be seen from the entire cabin. The head is to port and has a curtain style shower, with vanity and vacu-flush freshwater head. Because the engines are so far aft the cabin in this boat is as large as many 38 to 40 foot boats.
