Summary/Description

CLAS SEA LADY is a beautifully appointed Tiara 3900 Sovran powered by Volvo IPS drives (370HP) with Joystick Control for superior handling and fuel efficiency. The interior is spacious and has a large, fully equipped galley plus a unique aft lounge area with leather settees and a flat screen tv.

CLAS SEA LADY is a beautifully appointed Tiara 3900 Sovran powered by Volvo IPS drives (370HP) with Joystick Control for superior handling and fuel efficiency. The interior is spacious and has a large, fully equipped galley plus a unique aft cabin/lounge/theatre area with teak and holly cabin sole, facing leather settees, and a flat screen tv. Curved sliding teak doors separate the master stateroom from the salon, creating a private forward stateroom with queen island berth, cedar lined hanging lockers, and ample storage under berth. The interior also features a large head with separate shower stall and sink, the cockpit, and bridge deck seating with the standard hardtop. She is equipped with 32,000BTU upper cockpit heat/AC for maximum comfort.

Some of her other features include (2) Garmin multifunction displays, SAT TV, wet bar with refrigerator, aft enclosure, extended swim platform, transom storage locker, alarm system, GPS, and much more. CLAS SEA LADY's electric engine hatch provides ample access to all systems including Onan Cummins 11.5kw generator, 80amp battery chargers, 8 AGM batteries, battery parallel system, high output 115amp alternators, acoustical insulation with fiberglass liner and 12v dc lighting, automatic rule 2000 gph bilge pumps, composite fuel tanks, cable master, white painted bilges, oil exchange system, and fire suppression system.

Her knowledgeable yachtsman owner has consistently maintained CLAS SEA LADY so that every system works flawlessly from the windlass to the boarding ladder.
