Nortech Performance Boats is renowned for crafting high-performance vessels that seamlessly blend speed, style, and cutting-edge technology. Among their impressive offerings is the 56' FLYER, a pinnacle of marine engineering designed to deliver an exhilarating on-water experience.

From bow to stern, the 56 FLYER offers meticulous craftsmanship and attention to detail. The sleek and aggressive exterior design not only turns heads but also serves as a testament to the boat's performance capabilities. Built with the latest in hull technology, the 56' FLYER is engineered to slice through the water with precision, providing a smooth and stable ride even at high speeds.

This 56' FLYER goes by the name LADY LISA. Built by an owner who comes from a collection of go-fast boats with an eye for attention to detail. The owner has built two custom Nortechs over the past 12 years that have become very popular and well-known in the industry. This goes to show you his trust and admiration for the brand. With very little use and like-new condition, this 56' FLYER will not disappoint.
