Summary/Description

This spectacular C4000 Mystic was the show stopper at the annual Poker Run event. She looks like something from a James Bond Movie, and with a cruising speed of 100mph she probably should be featured in one.

This spectacular C4000 Mystic was the show stopper at the annual Poker Run event. She looks like something from a James Bond Movie, and with a cruising speed of 100mph she probably should be featured in one. The C4000 has the reputation for being the most comfortable rough water ride of any outboard catamaran on the market and you don't need to be a professional racer to drive her. She is in exceptional shape by her fastidious owner and is kept covered and out of the water when not in use.

In this C4000 Mystic Powerboats has delivered a full **carbon fiber** hull and offers the rare combination of racing speed and luxury. The comfortable interior consists of 6 forward facing and two rear facing seats that still look brand new. The low positioning allows for a surprising amount of shelter from the wind as the boat glides along. The soft sea decking compliments the boat very well and also provides safe transit through the seating area.

There are large storage compartments around the boat for lines and fenders

Manufacturer Provided Description

This easy to operate catamaran is ideal for a relaxing day out on the water. We test the C4000 in the Atlantic Ocean off of Daytona Beach and are confident it has the most comfortable rough water ride of any outboard catamaran on the market. The interiors of our C4000 boats are as comfortable as they are stylish. With ample cushioning and an open cockpit, this boat takes pleasure to the next level. Able to run over 100mph with just two outboard engines, the C4000 gives you the reliability and longevity of an outboard power with the thrill of speed. You don't need any offshore racing experience to handle this catamaran. This easy to drive model is perfect for a day in the sun whether you're in the Bahamas or on your favorite local lake.
