Summary/Description

Low hours, desirable and spacious. The Aicon 58 Fly is a symbol of luxury and elegance. A small but voluminous yacht for the family or fantastic for charter. 58 feet of style and refinement which make the boat extremely livable and comfortable. Made with all the characteristics of a megayacht, the Aicon 58 is the result of an ideal organization of space and quality which creates fluidity between the internal and external lines. The balance between the choice of precious and natural materials, the best on board equipment and the linearity of the boat makes it an example of perfection.
