Fuel: Gas/Petrol
Hours: 220
Location: Starboard

Summary/Description

Azimut 40 Verve Triple 350 with 220 Hours Seakeeper, Bow thruster, Joystick....

A whole new category of day boat, a center-console style with a true yacht interior. With its triple 350 hp Mercury Verado engines, the Verve not only reaches a top speed of 44 knots, but has excellent fuel economy, low emissions, and the ability to head into shallow waters that would be impossible for inboard engines. The Verve is also a new take on the typical stark, utilitarian center-console design. Instead of a couple of seats and a bare cockpit, the Verve is an outdoor playpen, with lounges on tracks that separate or come together, an electric folding table that converts to a sunbed, and a complete alfresco galley with twin barbecue, fridge, icemaker, and, thanks to the Italian heritage, a wine cooler. A mini-beach club. The weekender cabin is more yacht than fishboat, with exceptional wood joinery, 7-foot headroom, and a big stateroom. Seakeeper stabilizer, bow thruster, joystick control, 10 kW generator, and Raymarine all-glass helm, and you have a complete luxury day boat.
