Summary/Description

The interior of the 305 embodies wonderful quality and atmosphere, particularly in regard to space and light. The boat has integrated ventilation and five large opening port lights for extra light intake. Upholstered bulkheads in light colors help to reduce noise. The 305 has two cabins, an owner's

The interior of the 305 embodies wonderful quality and atmosphere, particularly in regard to space and light. The boat has integrated ventilation and five large opening port lights for extra light intake. Upholstered bulkheads in light colors help to reduce noise. The 305 has two cabins, an owner's cabin (available with Queen bed or V-bed) and a guest cabin, sharing a common head with shower.

In all, the 305 Coupé is a contemporary, hyper-functional boat with reduced environmental impact, and which is perfect for a reliable and enjoyable life at sea.
