Serial #: TBD
Location: Middle

Summary/Description

Electra is the synthesis of a renowned collaboration between C. Raymond Hunt Design, Lyman-Morse, and the owner. Hunt and Lyman-Morse have done many projects together. The owner had a previous Hunt, Lyman-Morse 84 called Tumblehome.

Electra is the synthesis of a renowned collaboration between C. Raymond Hunt Design, Lyman-Morse, and the owner. Hunt and Lyman-Morse have done many projects together. The owner had a previous Hunt, Lyman-Morse 84 called Tumblehome. The culmination of this experience is Electra, and the result speaks for itself!

She is an exceptional motor yacht with performance, style, and pedigree. The resin-infused hull is strong and relatively light giving the yacht a top end of 31 Knots and a cruise of 25. Her interior joiner work of red birch cabinetry and bamboo sole is masterfully done by Lyman Morse craftsmen gives the boat a "beach house" feel. The owner is an avid diver and the boat is equipped with the accessories and more with her large cockpit and Eskimo Ice fish box. Electra's captain has been with the owner going back before Tumblehome. The boat has been very well maintained and is turn-key. Electra is a special boat with a range of 4,000 miles able to take you places near and far.

Sunroom and Aft Deck

- Teak deck
- White wicker furniture
- Access via two side deck doors
- Access to flybridge via SS ladder, high gloss overhead hatch
