Year: 2007
Location: Starboard

Generator 1

Kohler
23KW

Generator 2

Kohler
23KW

Summary/Description

The 57 Bertram is an evolution of the legendary 54, which was known as a heavy weather battlewagon and highly regarded for its performance and seakeeping ability, Bertram tough. A proven fish raiser and tournament winner she is also an exceptional family cruiser.

RUMBUM is a clean, well-maintained 57 Bertram with C-32 Caterpillars. She has had 1000-hour service recently done on her motors. Her 3 Cabin 3 head layout is spacious. She had 2 Garmins upgraded a few years ago. She has also just completed a bottom job 6/23.

Entering the salon there is an L-shaped leather sofa to port. To starboard is the TV stereo and electric panel. Forward of that is the galley to port and dinette to starboard. Down the companionway to starboard is the queen berth master with ensuite head and shower. On the starboard side is a cabin with side-by-side berths and an ensuite head with shower. This head has a separate door to the companionway as a day head. Next forward is the locker with washer and dryer. All the way forward is the VIP cabin with split double and single berths. The VIP has an ensuite head with stall shower.
