Location: Starboard

Generator 1

Cummins Onan
11.5 KW Diesel
Hours: 65

Summary/Description

The Greenline 45 Fly is a fast, great handling and safe yacht. Twin master stateroom/twin head, galley aft layout in a beautiful white oak finish keeps the boat "bright and light!" Bow and stern thrusters and a door at the lower helm station makes this the perfect one-person operational 45' yacht.

THE NICEST 40'-50' YACHT!

Twin Master Stateroom / Twin Head, Galley Aft Layout in a beautiful white oak (UPGRADE) finish (AND UPGRADED FLOORING) keeps the boat "Bright and Light"! Match that with the REAL (UPGRADED) "Emotion Leather" (NOT Mexico Artificial Leather, that was an option too) and a hide-away TV in the Salon, makes this a Unique, Warm and comfortable retreat for a cruise of any length of time.

Shaft Drive 370 HP Volvo Engines make this a very quick and economical boat to run. Bow and Stern Thrusters (UPGRADE) and a door at the lower helm station, makes this the perfect one-person operational 45' yacht.

This is a fast, dry, great handling yacht that is extremely safe AND PROVEN (This boat has not just sat at the docks, it is a Great Loop Veteran that never had an issue).

On the outside the Greenline 45 Fly has an extremely sporty looking yacht that is enlightened by the sleek and stylish wings at the back of the fly bridge. The full beam Flybridge superstructure expands over the entire width of the yacht, making it the largest flybridge in its class. At the same time, it protects the covered sidewalks making movement forward while underway, extremely SAFE and it also completely covers the aft deck. The Flybridge features comfortable lounge and sunbathing areas, a two-seater bench and helmsman's position topped off with a fully equipped wet bar.

The main deck of the 45 Fly was designed with your utmost comfort and convenience in mind. The hydraulic swim-platform has cockpit Euro-Style transom with access on both sides of the comfortable seating area. Accessible from the bathing platform there is a large toy storage area which is perfect for dive tanks and a compressor, Sea-Doo type or small toys and much, much more. It's an absolutely huge area.

The Galley connects the cockpit and salon which is a Greenline Yachts feature on all Greenline Yachts and has been for their 15-year history. It is a signature design feature and the 45 Fly holds true to this. This feature allows for a "One-level" entertainment area. The salon is comprised of a U-shaped lounge area on the port-side. The lower helmsman's station is on the Starboard-side and has a door for easy single-handed maneuvering immediately to the outside of the helm station. There is an over-sized cleat directly outside of the door, which makes this the perfect one-person operational 45' Yacht.

Impressively designed cut-outs in the cap-rails enhance visibility from the Forward cabin in the bow area. Further forward on the bow deck lies another sun lounge with an optional Bimini and anchor locker for access to the anchor roller and windlass.

By far the best feature of this yacht is the Mid-Ship / Full Beam cabin with an Island King-Size walk-around bed complemented by superior full beam portholes blessing the mid-ship cabin with magnificent view to both sides, creating a light atmosphere.

The extra-large cabin forward is situated in the bow offering an island queen-size bed and just as spectacular views thanks to the cut-outs in the cap-rail on both sides of the hull. The level of comfort the guest cabin offers is incomparable to any other yacht in this size range. In most cases, this second cabin would be the owner's cabin of any other 45-footer on the planet.

Both cabins also offer a private in-suite head with separate shower and a prestigious, full-size walk-in wardrobe. This unforgettable addition to the yacht is setup with mirrors and lights to make any wife feel like a princess.

Contact the Listings Licensed Yacht Broker on his cellular as he knows more about Greenline Yachts than your average yachting salesperson.

Tender does not convey with the sale of the yacht.
