MORE PICTURES COMING SOON

BEST EQUIPPED LAGOON 500 currently on the market at this price. Owners Version with 4 staterooms and 4 heads as well as crew quarters and private head. Some call it a 5/5 layout. The Lagoon 500 is a cruising catamaran with a full raised flybridge yielding 360 degrees visibility from the helm and an uncluttered aft cockpit. Easy to see in Fort Lauderdale, Florida starting May 1, 2024.

The Lagoon 500 is the flagship of Lagoons fleet of catamarans. Pioneer of many innovations regarding multihulls, the shipyard created a very modern boat, full of so many extras that will make your cruise an exceptional one. Though this boat is a 2007, she has been upgraded and refit in 2022. She has been maintained to stand out against even newer model cats. Loads of new extras onboard to maximize cruising ability for a family or for charters. Comfort and space throughout the layout is showcased in this vessel. Very spacious for a large group/family. Great handling ability makes you the kings of relaxation!

The current owners are leaving EVERYTHING you need on board to start cruising. This is tens of thousands of dollars worth of equipment, including (but not limited to), a Dive Compressor, Dive Gear, Starlink, Spear Guns, Water Skis, Tools and much more (all listed below).

Note from owner: "Our family (mama, daddy and three little daughters) has had an incredible time sailing "Greatest Thing Since" through the Caribbean. She is a safe and solid boat with lots of space and was very comfortable to live on. She kept our family safe and comfortable on ocean passages and we look forward to helping hand her over for new adventures."

TONS OF SPARES AND TOOLS COME WITH THE BOAT Owners are leaving almost everything on board.

Manufacturer Description

The Lagoon 500 is a luxurious new high-performance boat designed for ocean cruises that includes the innovative features that have made the Lagoon 440 such a huge success. This one is only bigger and better.

Three versions of the Lagoon 500 are available: This is an owners version with the owners suite and three VIP cabins. All berths feature lateral access, there are separate shower compartments and bathrooms, and each cabin has a large window along the side of the hull providing natural lighting and an incomparable view of the sea. The Lagoon 500 was

designed by Marc Van Peteghem and Vincent Lauriot Prevost, who have won a record number of awards for multiple-hulled boats (in 2004, boats they designed and won the four first places in the famous English Transatlantic race), and benefits from the latest developments in naval architecture.

Its speed and handling at sea promise to be outstanding: the Lagoon 500 is an excellent performance boat under sail augur well for the pleasures of sailing the Lagoon.
