Summary/Description

This Scout 275 Dorado is a 27' 5" (8.36m) yacht for sale, delivered in 2018.

Overview

The Scout 275 Dorado is the ultimate family boat. With an abundance of space, a comfortable, convenient layout, and family-oriented features, it is perfect for cruising the water for just a couple of hours or an entire day. Thanks to its innovative design and advanced boating technology, the Scout 275 Dorado is the largest and most impressive vessel in our Dorado lineup, measuring 27' 5" in length with a 9-foot beam, ensuring plenty of space for a memorable experience on the water with all your loved ones. Due to its size, the boat can carry a 9-gallon waste tank, a 14-gallon freshwater tank, and a 25-gallon bait well while cruising with a maximum of 400 horsepower, providing you with the desired speed and acceleration for confident boating. Additionally, the built-in custom fiberglass hardtop - one of the most iconic features of the 275 Dorado - provides ample shade for you and your passengers during sunny days. This is particularly beneficial when boating with young children who may be more sensitive to harmful UV rays. Whatever activities your family members fancy engaging in, the 275 Dorado will cater to their needs. It promises luxurious comfort for laid-back cruising, while the telescopic swim ladder enables easy skiing, wakeboarding, and swimming off the back. Not to mention, it wouldn't be a Scout without outstanding fishing features such as a live-well, rod holders, and lure drawers at the helm.

Key Features
