BROKER COMMENTS

CIN CIN, is hull n° 10 of Y/Yachts Shipyard's successful Y7 series. She was created in collaboration with the US designer Bill Tripp, who is responsible for her contemporary and minimalistic design. This carbon-built lightweight sailing yacht combines a level of performance, relaxed cruising and sophisticated comfort that will appeal to the discerning buyer looking for quality and elegance.

Like many fast sailing yachts, CIN CIN has a wide stern equipped with a twin rudder, while the two Nanni 80hp engines allow excellent handling even in marinas.

Her light displacement (just 29 tonnes) and almost 300 square meters of sail area keep this Y7 moving even with little wind. Thanks to her excellent maneuverability she is perfect for an owner/operator or a small crew, and therefore, ideal for cruising with family or with a little group of friends. Her welcoming and sophisticated interior is made of veneer and lightweight materials.

She can accommodate 6 guests in 3 well-conceived cabins.

INTERIOR DESCRIPTION - ACCOMMODATIONS & ARRANGEMENT

MAIN SALON: Wide, light and open plan. Wrap round glass. Blue L-shape sofa on portside. Grey sofa on starboard side with the dining table and additional two chairs. Chart table in STB corner. Next to exposed mast there is an open office area and, on STB is the open galley. White oak wood
