- Ceiling with lacquered frame and panels upholstered in vinyl fabric
- Digitally controlled A/C system
- Door to access engine room
- Electrical panel
- Extractor fan under hanging hideaway locker
- Ivory lacquered shelves and internal shelving
- Lacquered ivory under top unit with opening doors and internal shelves and drawers
- Light switches
- Light under hanging lockers
- Polished matte wenge strip flooring
- Stainless steel sink
- Cooking top ceramic 220V-240V/60hz
- Oven comb 120V-60hz
- Dishwasher 120V/60hz
- Fridge and freezer full size 120V/60hz
- Extractor fan 120V/60hz
- LED light strips under stairs

Master Cabin

Master cabin is decorated with a soft comfortable feel and large side windows looking out to the sea. Two vanity areas in Poltrona Frau leather and a large walk in closet

- Access to the cabin by means of a stairway with wenge steps
- Aft bulkhead mirror
- Aft bulkhead sound insulation
- Cabin entrance ceiling section with oak ceiling frame and light panel
- Digitally controlled A/C system
- Fixed side windows in ballistic crystal with built in hinged polished stainless steel porthole
- Hideaway vanity unit upholstered in Poltrona Frau leather

- Bleached oak double bed with headboard upholstered in Poltrona Frau leather and drawers underneath
- Fridge unit with bleached oak door
- Locker with clothes rail and internal lighting
- Strip lighting under the bed

Master Head

- LED light strips in over head
- Built in ceiling spotlight
- Built in polished stainless washbasin
- Digitally controlled A/C system
- Electric freshwater ceramic WC
- Fixed side windows in ballistic crystal with built in hinged polished stainless porthole
- Mosaic tile in the shower

VIP Cabin Forward

The VIP cabin has private head and shower with mosaic tile and custom shower rails and fixtures.

- Built in dimmer ceiling light
- Digitally controlled A/C system
- Double bed in bleached oak with headboard upholstered in FRAU leather and locker underneath
- Emergency exit to upper deck by means of skylight and hideaway ladder
- Hinged polished stainless steel porthole with opening lock
- Locker in bleached oak, clothes rail, internal light and mirror
- Bleached oak nightstand
- Reading light
- Strip lighting under the bed
- Structural GRP flooring covered in carpet

Twin Guest Cabin Port

- Alt bulkhead mirror
- Audio system
- Built in circular speakers
- Built in ceiling spotlights
- Digitally controlled A/C system
- Hinged polished stainless steel porthole with opening hook
- Bleached oak nightstand
- Bleached oak locker with clothes rail, internal lighting and mirror
- Single bed in bleached oak with headboard upholstered in FRAU leather
- Strip lighting under the bed
- Light switches
- Mirror

Twin Guest Cabin Starboard

- Alt bulkhead mirror
- Audio system
- Built in circular speakers
- Built in ceiling spotlights
- Digitally controlled A/C system
- Hinged polished stainless steel porthole with opening hook
- Bleached oak nightstand
- Bleached oak locker with clothes rail, internal lighting and mirror
- Single bed in bleached oak with headboard upholstered in FRAU leather
- Strip lighting under the bed
- Light switches
- Mirror

Twin Head

- Shower mixer tap with double outlets
- Single washbasin mixer tap, shower pole
- Standard shipyard shower cubicle with tempered glass door and mosaic tile
- Walls covered in standard shipyard laminate
- Washbasin unit in Bleached oak and opening doors
- WC brush holder
- Wenge shower plate

Crew Cabin

- Three crew beds
- Audio system
- Two Hanging lockers

Deck Equipment

- 110m galvanized chain
- 2500W fore windlass with waterproof control pad
- Access to fore locker with double hatch and closure
- Aft garage with hydraulic hatch and launching ramp with two winches.
- Black water extraction cap
- Electric pantograph side doors
- External shower
- Fresh water filling cap
- Fuel filling cap
- Hideaway swimming ladder
- Stainless steel anchor
- Hideaway sliding aft door in black painted aluminum
- Storage lockers port and stb side of the fore dinette with closure

- Side windows in tempered layered glass
- Stainless steel gate for cockpit entry
- Stainless steel handrail aft
- Stainless steel handrail on side of superstructure
- Stainless steel mooring cleat fore/center/aft
- Stainless steel railing with stanchion
- Telescopic hydraulic hideaway gangway with remote control
- Underwater lights
- Navigation lights
- Side boarding gates
- Compressed air outlet in garage
- Mooring cleats on bathing platform

- Electronic levers for engine control
- Engine room camera display
- Flaps joysticks
- Bow and stern thruster joysticks
- Yacht Contoller
- Helm wheel upholstered in Poltrona Frau leather
- Instrument dashboard upholstered in Poltrona Frau leather
- Magnetic Compass
- Central LCD screen with rudder angle, flaps H 2 0 and fuel levels
- Autopilot Furuno
- VHF Furuno
- Radar antenna open array Furuno in radar arch
- Multi-functioning navigation instrument Furuno (depth, speed, compass, temperature)
- Echo box Furuno
- LED light strips under helm
- Chart box covered in Poltrona Frau leather at port side of dashboard

Systems

All system onboard are Pershing factory systems. This Pershing 80 with all equipment and systems onboard are noted in the Pershing USA package.

Fresh water System

- Fresh water connection from water tank
- Fresh water intake in engine room
- Level sensor
- Shore fresh water intake with pressure regulator
- Shower with mixer tap in external fore deck
- Shower with mixer tap on aft swimming platform
- Structural GRP tank with pump and autoclave
- Water heaters
- Water maker

Sea water system

- By-pass valve for emergency bilge discharge from engines
- Sea water intake and chain wash pump
- E pump fire extinguisher
- Sea water basket filter for engines power generators
- A/C pumps for services and fire hydrants
- Sea water intake for chain wash and fire extinguisher in fore locker

- Sea water intake for grey water system
- E pump auxiliary tank
- Discharge pump for main tank discharge
- GRP tank level sensor manifold with by pass for grey and black water tank emergency discharge
- Grey water 3 way valve in galley

Black water system

- E/pump tank discharge
- GRP auxiliary tank level sensor
- Black water connection for dockside tank pump out

Fire extinguisher system

- Emergency engine shut down remote control with manual and automatic extinguisher in engine room.
- Smoke detectors in engine room
- Smoke detectors in galley

Air Conditioning system

- A/C in all cabins and heads including upper salon.
- A/C compressor USA version 180,000 BTU including bathrooms

Electrical system

- 110V sockets in each cabin
- 24v/230V voltage measuring instruments
- Battery charger
- Services battery, engines and generator batteries
- Battery cut off copper plate bonding system all along the hull joined to the anodes protection on the transom
- Emergency parallel connection between service batteries and engine starter
- Inverter for galley fridge
- Main electric panel with magnetic thermal switches
- MTU electric panel for engine control
- Parallel between generator batteries
- Kohler generators x 2 60hz with fuel filters and water sensors
- Electrical switchboard for USA
- Electric system transformer for USA
- Ground connections for central bonding system
- Channels from engine room to antenna area
- Ground fault interrupters 120V 6ma in all heads galley and engine room
- Electronic fuel level remote indicator in dashboard
- Sight tube on fuel tank in engine room
- Manual fuel discharge pump
- Structural GPR tank
- Generator filter: single type Racor
- Main engine fuel filter pre engine

Bilge system

- Automatic manual immersion e pump for bilge discharge in each compartment
- Centralized emergency bilge suction for all bilges

- High level bilge sensors
- High volume emergency bilge suction with three-way valve connected to main engine sea suction

Engine Room

This 80 Pershing is a full USA version with electrical system and generators specified at construction.

- A/C pump
- Access to engine room from crew dinette
- Coupling joint between adaptor and Arneson flange
- Dynamic air intakes
- Electric extractor fans
- Engine exhaust silencer
- Hydraulic steering oil tank
- Hydraulic unit for bow and stern thrusters
- Gangway and swimming ladder
- Garage hatch
- Swimming platform
- Sliding cockpit hard top and sliding wheelhouse hard top
- Light alloy waterproof door
- Light switch
- MTU 16V 2400HP MOTORS
- Protective cover added to coupling
- Silencer and generator exhaust fume separator
- Stainless steel reinforcement around engines
- Thermal insulation soundproofing
- Waterproof camera interfaced with helm screen
- Diamond plate floor covering
- Glendenning 100A 4 pole cable realer for shore cable
- Isolation transformer 25KVA
- Breaker box
- Measuring instruments with voltmeter and ammeter 240V
- Carling switch 100A for 24DV shore supply
- Shore power GFI 100A 30mA
- Batteries
- Battery cut off for appliances to batteries
- Battery charger for generator
- Inverter 60hz/120V for galley fridge
- Inverter 60hz/120V for services

Laundry Room

- Washer dryer
- Additional storage space
