Manufacturer Provided Description

With an **overall length of just over 36 feet**, the new flagship of the Antares fleet is the perfect illustration of a **family cruiser**. Safe, ideal for cruising, and seaworthy, the contemporary design of this powerboat focuses on comfort and space, as well as **safety and innovation**.

Exterior Design

The result of a new collaboration between BENETEAU and *Sarrazin Design*, the spirited modern silhouette is emphasized by the vast areas of glazing in the wheelhouse, providing optimum light on board. Lots of smart modular solutions make life on board very pleasant.

Interior Design

Light and cruising comfort characterize this large weekender. The double master cabin with en-suite shower room is a well above the usual standards. The aft cabin is full beam and has three berths. The Antares 11 has a **convertible saloon** and can accommodate up to 7 people in excellent conditions. The extensive glazing in the wheelhouse provide a stunning all-around view.

Hull and Deck

HULL
