Summary/Description

Model- 34 Catalina

Experience the elegance of the Catalina 34 - a stunning vessel designed by a builder with 150-plus years of experience in crafting beautiful boats. The 34 boasts a substantial and bold appearance, highlighted by a striking sheer line that enhances its aggressive stance. With its curvy profile and copious flare, the bow is perfectly primed to keep things dry. And with 21 degrees of transom deadrise, this boat is ready to take on any challenge, providing top-notch offshore performance even in rough waters.
