Engines/Generators

Engine 1

Caterpillar
3412 DITA
Inboard
1250HP
Fuel: Diesel
Hours: 2103
Hours Date: 01-01-2022
Year: 1996
Location: Port

Engine 2

Caterpillar
3412 DITA
Inboard
1250HP
Fuel: Diesel
Hours: 2103
Hours Date: 01-01-2022
Year: 1996
Location: Starboard

Generator 1

Kohler
27KW
Hours: 4600

Generator 2

Kohler
27KW

Summary/Description

Aledoutho is an elegant and classic Motoryacht totally refitted in 2017 and 2018. A Must See!

In Central Agency at Given For Yachting, ALEDOUTHO is an elegant and classic Motoryacht built in 1996 by CTM-Falcon, with the highest standards of quality and construction, typical of this famous Italian shipyard with both, external and internal spaces typical of larger boats. The yacht has been the subject of an important Refit in the last two years, executed by a shipowner passionate about "vintage" Italian boats and who, today, is already looking for a new, larger yacht on which to carry out a new reconstruction project. The works included the repainting of the hull, the assembly of a new Hard Top in vtr, the new teak deck, the installation of all the new on-board electronic packages, the new air conditioning system in all environments, the modification of the Vosper stabilizers to be able to update them to the "Zero Speed" system (Vosper / Naiad estimate available) and many other interventions described in the accessories. A unique yacht of its kind, ready to cruise.
