All the flair of a sunny convertible and terrific space - that's what the Sealine C430 stands for. Expressive hull windows give the yacht its distinctive Sealine look, just part of a revolutionary 26m2 total glazed area. Open the electric sunroof and let even more light into the interior. With its three luxurious lounge areas, the Sealine C430 provides the perfect ambience for every moment. When the saloon is opened, both the inside and the outside become a real loft apartment at sea. The standard layout provides for the master cabin amidships with a VIP cabin forward.

Exterior Design: Sealine yachts amaze with their modern, functional design. Unique, puristic elegance meets exceptional performance from the pen of Bill Dixon, the world's best and most experienced yacht designers.

### OPEN AIR COCKPIT GRILL

Stay among your family and friends while cooking. With the smartly placed outdoor BBQ and wet bar, fresh barbecued delights can be served directly from the bathing platform.

### LARGE BATHING PLATFORM

Hydraulically operated and highly comfortable. The built-in steps unfold as the platform is lowered, providing a safe access to the sea.

### 2 ROOFS FOR SUNNY FEELINGS

Open the two electric roofs and let the sunshine accompany your summer holiday! No other 40-footer gives you that feel of driving a cabriolet.

### UNLIMITED PANORAMIC VIEW

Stunning seascapes wherever you look! The panoramic windows are beyond compare in this class. The amount of light inside is unique.

Interior Design: Thanks to various layout variants and a large selection of combination options – with high-quality fabrics, fine woods, trendy colours, select floorings and stylish furnishings – you can make your Sealine your own, a very personal one-of-a-kind yacht.

### 3 DOUBLE CABIN ACROSS 43 FEET

The C430 is the first yacht of this class to offer three luxuriously fitted double cabins on request.

### LARGE MOVABLE HELMS EAT

The swivel, extra-wide chair at the helm enables you to be part of the goings-on in the saloon at any time.

### MOST ELEGANT INTERIOR STYLE

Your full beam master cabin will leave you breathless with a yacht interior at its finest: stylish components, high craftsmanship, lavishly fitted.

### SOPHISTICATED LIGHTING SYSTEM

Subtle wall lamps, reading lamps, indirect LED lighting and spots built into the ceiling create any ambience of a superlative class.
