Summary/Description

The Phenom 34 delivers a high end semi-custom center console experience with top of the line entertainment features, superior construction and performance, and pedigree fishing amenities. Every aspect of the Phenom 34 has been meticulously thought out and elevated to the next level.

We are excited to announce our partnership with Phenom Yachts. Their 37' and 34' center consoles combine sleek lines, superior construction, spacious and comfortable entertainment features, and pedigree fishing amenities. The goal was to design the most family-friendly, hardcore fishing, luxurious and high performing semi-custom center console on the market. Each design challenge was taken as an opportunity to drive innovation through research, engineering and development. Spearheaded by Tommy Hancock, a long time well respected marine industry leader, Phenom brings two strong competitors to the high end outboard market. Our team is honored to bring factory direct pricing to our elite client base.
