Hours: 250

Summary/Description

Twin Suzuki 300hp Engines with Low Hours Repowered in 2022 | New Interior | Updated Heavily Throughout | Mint Condition

Owner will consider trades.

This is undoubtedly the nicest Intrepid 350 Walkaround available. She is extremely diverse and loaded with amenities. She has been heavily updated and maintained to the highest standards. Repowered in 2022 with twin Suzuki 300 outboards, she has only 250 hours currently and warranty until 2027. Her electronics package lacks nothing with Garmin Electronics, a JL Audio Stereo System, Lumitec lighting, FLIR night-vision, and more! The boat was repainted in 2019 with new bottom paint, hull-side paint, hardtop underside paint, and non-skid. Her interior was updated from top to bottom in 2023/2024 and is the perfect platform for your next overnight island escape. Everything about this Intrepid is impressive. She is truly a must-see.
