Verado 2.6L  
Outboard  
350HP  
Fuel: Gas/Petrol  
Hours: 100  
Year: 2021  
Location: Starboard

## Summary/Description

Nimbus Commuter 11, or C11 as it is referred to, was designed to be all-purpose, rugged, fast, yet comfortable enough to be your normal day-to-day cruise. The C11 is a perfect vessel for the daily boater who uses the water as their method of transportation all year round, Slightly Used - Low Hours!

The pilothouse sets this model apart from most other boats in its class. There are swiveling cockpit chairs as well as a passenger sofa all enclosed in a brilliant cabin with large windows. It even has an indoor galley and a double bed in the front cabin with separate shower and head. There is seating in the bow as well as a sunpad for owners that use the C-11 as a pleasure boat along with plenty of room on both sides of the pilothouse to walk around with ease. In addition to the front cabin, the C-11 also has a mid cabin with a double bed. Solar panels can even be installed as an option on the hardtop to help power the boat and its electronics.
