Summary/Description

Fresh off a yard period completing significant mechanical, exterior, and interior tasks making her truly turn key! See Detailed Descriptions for more Information! RINA Annual Class and Jamaica Flag surveys completed January 2023! Currently completing tasks for RINA 5 Year Survey ahead of Schedule!

Delivered by American builders, this yacht is a stunning example of a Tri Deck Motor Yacht boasting the amenities and features of a yacht of much larger size.

Boarding from the Aft Deck, you will be instantly greeted by the warm teak decks that continue through the exterior spaces of the yacht. The Aft Deck features a spacious dining settee with seating for ten guests as well as a walk up bar. There is stairway access to both the swim platform and flybridge from this deck.

Head inside to the main salon through the sliding glass doors. The main salon is beautiful and elegant with its rich mahogany perfectly accented with neutral tones and pops of color. To port is a card table alongside a welcoming sofa. Just forward of the main salon is the formal dining area with plush leather chairs and mahogany table, comfortably seating 12. A pocket door to port provides access to the Stew Pantry, Galley, and Crew Quarters, while to starboard the companionway leads you to further guest areas.

The yacht accommodates 11 guests in 5 well appointed guest cabins. The Master Suite is full beam on the main deck offering wonderful views through the large portholes. The en suite boasts marble floors and counter tops, Jacuzzi tub, Walk in Shower, His and Her Sinks, and private toilet with bidet.

Below Deck are the remaining four guest staterooms. The King and Twin Staterooms are amidship accessed from the stairway just forward of the dining area. The Twin Stateroom also includes a pullman bunk. The Two Queen Staterooms are Aft accessed from the stairway off the main salon. All of the Guest staterooms are equipped with Flat Screen Televisions with Apple TV's and Satellite. All are also en suite with marble floors and counters as well as their own Jacuzzi tubs with integrated showers.

Heading on up to the Bridge Deck, the Pilot House and Captain Quarters are forward followed by the spacious Skylounge. The Skylounge offers a full service bar, L Shaped Corner Sofa, Game Table, and Entertainment Systems. Picture windows provide ample natural light and pristine views to the destination outdoors. Through the glass doors step on to the Bridge Deck Aft boasting a large teak table with seating for 10 guests to enjoy al fresco dining. This exterior space also features a lounge area as well as access to both the Aft Deck and Sundeck via teak staircases.

The Sundeck on board is an exceptional space to be enjoyed by all. Featuring a Jacuzzi forward surrounded by Sun Pads, BBQ grill, and fully equipped wet bar. There is plenty of space to enjoy sunbathing from the chaise lounge chairs to the sunbeds. There is even more exterior space to be enjoyed on the Foredeck, A private oasis that features two sunbeds. The lounge space is separate from the work space that houses the anchors as well as the launch space for the tender and jet ski's.

There are Crew Accommodations for 9. The Captains cabin is located on the Bridge Deck. The remaining cabins are in the

crew accomodations below decks and forward. There is also a crew lounge, laundry facilities, and additional refridgeration.

The yacht is home to many water toys inlcuding a custom slide from the sundeck, new waverunners, and many more!

Additionally, having just completed a Yard Period and finishing Class and Flag State surveys, the yacht is truly turn key and ready to take you on your next yachting adventure!
