Summary/Description

For Sale

Customizable Boat: Fort Lauderdale

The Highfield Ultralite 260 is an 8'6" inflatable tender with a maximum rating of 6 HP weighing just 70 pounds. Its ultra-durable single deck hull is lightweight and an alternative to those who may have opted for a soft bottom tender. Its high tensile chromated and powder coated aluminum hull allows for beaching and easy trailering without worry of damage.

Features include Orca Hypalon or Valmex PVC tubes (price listed with Hypalon), flush mount non-return valves, a self-draining deck, a removable seat, lifting points and towing eyes, a non-skid deck, a light weight rub rail, a full length keel guard, and a Highfield dry bag, oars, a foot pump, and repair kit.

***Engine and optional features not included at base price.**

Come test drive a Highfield Boats tender at these Florida locations:

Dania Beach / Ft. Lauderdale and Palm Beach.
