### Customizable Boat: Palm Beach

The Highfield Ultralite 310 weighs just 110 pounds and is a real option for those who may have opted for a soft bottom inflatable tender. Its rigid aluminum hull handles well and delivers a more stable ride, yet still provides weight savings when compared to other inflatable tenders. 10 HP is recommended and it carries up to five persons. The high tensile chromated and powder coated aluminum hull is durable while beaching or trailering with no need to worry about gel coat chips or damages.

Standard features include a self-draining deck, a removable seat, lifting points and tow eyes, tow bridle points, a non-skid deck, a lightweight rub rail, a full length keel guard, and an under seat bag, oars, a foot pump, a repair kit, and a Highfield dry bag. Available as options are an extra seat and a boat cover.

**\*Engine and optional features not included at base price.**

Come test drive a Highfield Boats tender at these Florida locations:

**Dania Beach / Ft. Lauderdale and Palm Beach.**
