For Sale

Customizable Boat: Palm Beach

The Highfield Classic 290 is a 9'6" inflatable tender with a recommended power of 10HP. It has a maximum capacity of four persons and weighs just 130 pounds. Its impressive performance is due to its light weight and high tensile chromated and powder coated aluminum hull. It is highly durable, especially while beaching trailering, as there is no worry of fiberglass or gelcoat damages. An extra level of comfort is provided with its double deck for dry feet and gear.

Standard features include Orca Hypalon or Valmex PVC tubes (Hypalon tubes optional), flush mount non-return valves, a self-draining deck, a bow locker to fit a 6 gallon fuel tank, a tank strap kit, integrated transom supports, lifting eyes and tow points, tow bridle points, a removable seat, an under-seat bag, a brushed foam teak finish deck, a heavy duty rub rail, a full length keel guard, and a Highfield dry bag, oars, a foot pump, and a repair kit. Add optional upgrades such as an extra seat, a transom storage box, a molded bow cleat, a bow cushion, or a boat cover.

Come test drive a Highfield Boat at these Florida locations:

Dania Beach / Ft. Lauderdale and Palm Beach.
