Summary/Description

For Sale

Customizable Boat: Palm Beach

The Highfield Classic 340 is an aluminum hulled 11'2" inflatable tender with a recommended power of 15 HP. At just 156 pounds, it carries up to six persons. Its self-draining double deck provides an extra layer of comfort, keeping your feet and gear on deck dry. Its high tensile chromated and powder coated aluminum hull is durable for beaching and trailering, as there is no worry of gelcoat or fiberglass damages.

Standard features include Orca Hypalon or Valmex PVC tubes (Hypalon tubes included in price), flush mount non-return valves, a bow locker to fit a six gallon fuel tank, a fuel tank strap kit, integrated transom supports, a removable seat, an under-seat bag, lifting points and towing eyes, tow bridle points, a brushed foam teak deck, a full length keel guard, a heavy duty rub rail, and a Highfield dry bag, a foot pump, oars, and a repair kit.

***Engine and upgraded features not included in price.**

Come test drive a Highfield Boat at these Florida locations:

Dania Beach / Ft. Lauderdale and Palm Beach.
