Summary/Description

M/Y INSPIRED, built by Crescent Custom, is a 127' custom semi-displacement yacht designed by famed Jack Sarin.

M/Y INSPIRED, built by Crescent Custom, is a 127' custom semi-displacement yacht designed by famed Jack Sarin. This luxurious tri-deck provides accommodations for up to 10 guests in 5 cabins including a main deck split-level master with en-suite spa, king VIP, queen double w/ pullman, and convertible twin. The fifth stateroom is currently being used as a personal gym but can be easily converted. INSPIRED features a semi-displacement hull designed for comfortable long-range cruising thanks to her Bureau Veritas Classification (5yr survey completed in 2020), 4,000nm range, and stabilizers.

MECHANICAL AND ENGINE EQUIPMENT

ABOUT INSPIRED

INSPIRED is a 127'1" tri-deck luxury motor yacht and was built by Crescent Yachts in 1998. She has received continuous upgrades and most recently a 5-year class inspection in 2020. With a beam of 23' and a draft of 6' 6", she has a GRP hull and superstructure. This adds up to a gross tonnage of 282 tons. She is powered by MTU engines of 2000 hp each giving her a maximum speed of 18 knots and a cruising speed of 13 knots. INSPIRED's maximum range is estimated at 4,000 nautical miles.

WALK-THROUGH

GUEST ACCOMMODATION

INSPIRED can comfortably accommodate up to 10 guests overnight in 5 cabins, comprising of a master suite, 1 VIP cabin, 1 double cabin with a pullman, 1 twin cabin and 1 gym with a pullman bed. The owner's cabin is situated on the main deck forward featuring a unique split level owner's suite, with the lower level comprised of a large ensuite including a his and her side each with a sink, toilet, bidet, and walk-in closets connected by a large multi-head jacuzzi tub that can also be used as a shower. Moving aft and down a separate set of stairs is a double cabin and the gym both fitted with their own ensuite. Another two guest cabins can be found further aft by a separate set of stairs, a VIP and twin cabin that can be converted into a double bed, both with their own ensuites.

INTERIOR GUEST AREAS

INSPIRED features an open and bright salon with a relaxing lounge area and a dining area for up to 10 guests. Forward of the salon and dining area to port is the gourmet galley and stew pantry. The galley is fitted with a cooktop, dual ovens, two sinks, dishwasher, trash compactor, large refrigerators, freezers, plenty of cupboards and drawers. The galley can be open to the guests or a privacy panel can be used to separate the formal dining area from the galley.

The sky lounge and bridge are located up a set of stairs to starboard of the galley. The bridge is fitted with 2 Captain Chairs facing the navigational equipment. Portuguese bridge doors are located to port and starboard. The skylounge is directly aft and is equipped with a wet bar to port with a refrigerator and ice maker. To starboard is a day head and aft is a desk to starboard and an overside couch to port with a coffee table.

EXTERIOR GUEST AREA

INSPIRED has superb deck spaces with multiple areas for entertaining. Boarding the yacht from the stern you will first step foot onto the hydraulic passarelle and board on to the integral swim platform. Stairs to port will lead you to the climate controlled main deck aft which is fitted with a rectangular varnished table that is surrounded by chairs and settee with seating for up to 10 guests. To starboard there is a TV, several lockers, and a sink. Moving up the stairs on the port side takes you to the bridge deck aft, here you will find another entertaining area with a table surrounded by chairs, a settee to starboard and aft a long beam width settee with a couple of lounge chairs. The yacht's tender along with the hydraulic crane, freezers, emergency genset can also be found off the bridge deck aft. Moving up the stairs on the starboard side to the flybridge you will find the perfect area for alfresco dining with several tables, chairs, settees, a

wet bar fitted with a refrigerator and ice machine as well as a BBQ. The helm is forward on the flybridge and is fitted with two captain chairs. Forward on the bow is another two seating areas, one area just in front of the bridge and one lower down by the anchor controls.

CREW AREA

INSPIRED has 3 crew cabins, a crew galley and mess in the aft area of the yacht. Two cabins are bunk bed cabins that have their own ensuite. There is a captain's cabin to starboard with a double bed and an ensuite.

CONSTRUCTION

INSPIRED features a semi-displacement composite hull and composite superstructure, with teak decks. She was built to Bureau Veritas classification society rules. She is equipped with a modern stabilization system which reduces roll motion effect and results in a smoother more enjoyable cruising experience underway.

PERFORMANCE

Powered by 2 MTU (16V 2000 M90) 2,000hp diesel engines and propelled by her twin screw propellers Motor yacht INSPIRED is capable of a top speed of 18 knots, and comfortably cruises at 13 knots.

EXCLUSIONS

A full list of exclusions will be given upon request.
