Summary/Description

The Whaly 210 is a 6' 11" tender constructed of color-fast double walled- polyethylene. Its hull is indestructible, almost unsinkable, and it has minimal tipping.

Available to Order: Tampa Bay

The Whaly 210 is a 6' 11" tender constructed of color-fast double walled- polyethylene with a maximum power rating of 2.5HP. Its indestructible hull is almost unsinkable and delivers a stable ride minimal tipping. The Whaly is built similarly to a RIB, but it features maintenance-free tubes and performs exceptionally in high seas and while making sharp turns. It can be beached on rocks or concrete without running the risk of puncture or damages. Whaly is an eco-conscious choice, as the hull is fully recyclable.

The Whaly 210 weighs just 93 lbs and has a capacity of 2 persons or 452 lbs. Whaly offers many options (at additional price) that allow customization to your perfect liking. These options include a rowing seat, a set of rowing locks, or a set of oars.

The Whaly 210 may be ordered in the Red, Grey-Mix, White, Marine Blue, Dutch Orange, Dark Grey, Signal Yellow, or Cappuccino Brown hull colors.

We're proud to showcase Whaly Boats at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Sarasota, and Tampa Bay.
