ATOMIC's guests will take advantage of her impressive exterior deck space, extensive watersports equipment and generous socializing spaces. Well-suited for diving enthusiasts, her advanced navigation and engine technology ensures ATOMIC moves quietly and 'exhaust-free' through delicate diving areas without damaging the seafloor.

Her stylish, inviting interior benefits from exceptionally high ceilings and large windows. The breathtaking owner's stateroom offers panoramic views, two private terraces, an office with a sleeper sofa and a full-beam bathroom complete with a spectacular bathtub and glass artwork. Abstract art, leather details and atmospheric lighting add to the sophistication of the yacht's communal spaces.

ATOMIC's additional highlights include a generous infinity spa pool on the sundeck, fire pit, al fresco bar and BBQ area, impressive personal gym and glass elevator. ATOMIC has multiple balconies, including an open transom and staircase that provide easy water access and a beach club that opens up to a state of the art dive center.

Built by VSY and impeccably maintained since her delivery in 2020 ATOMIC boasts a pedigree design team of several industry stalwarts, including Franck Darnet, Laurent Giles Naval Architects and Espen Øino International. Powered by two Caterpillar engines, she has a max speed of 17 knots with a range of 5,200 nautical miles.
