## Summary/Description

This Northstar Axis 3.1 is a 10' inflatable tender powered by a Yamaha 25 HP four-stroke outboard. Its impressive standard features set it apart from the competition. The Delta lift hull and Delta tabs deliver easy planning and a dry ride.

**Available in Store: Palm Beach**

This Northstar Axis 3.1 is a 10' inflatable tender powered by a Yamaha 25 HP four-stroke outboard. Its impressive standard features set it apart from the competition. The Delta lift hull and Delta tabs deliver easy planning and a dry ride.

Its standard features include a replaceable transom for short or long shaft outboards, hydraulic steering, an ergonomic console, a glove box with a USB charging port and main cutoff switch, a fuel system with an integrated fuel tank and gauge and a switch panel.

Other features include LED navigation lights, an all-around white socket-type light, an automatic bilge pump, a self-bailing deck, large storage areas, Hypalon tubes, and marine grade upholstery. Several tube, hull, and upholstery color options are available.

**We're proud to showcase Northstar Boats at our Palm Beach showroom.**
