Summary/Description

2019 SUNREEF 60 SAIL "OCA" Available For Sale NOW in Tahiti

SY OCA was built with 2 purposes in mind: blue ocean sailing and chartering. She has sailed over 15k NM from Gdansk, Poland all the way to Tahiti, French Polynesia without major issues, proving her ocean going capabilities and reliability. Although originally conceived to do charters during her circumnavigation, she has only been chartered a handful of weeks in the Med and Caribbean.

The yacht was conceived by the owner to have redundancies in almost all systems, allowing her to stay up to 6 months at a time without having to re-provision, which proved very handy during covid times. Her 3.5kW solar array allows her to be generator free for multiple days on eco-mode.

Her layout is perfect for chartering up to 8 guests + 3 crew or large live-aboard families, comprising of 1 Master cabin, 3 guest cabins, and a crew cabin, all en-suite with beautiful finishing. An air conditioned bow crew cabin permits a 3rd crew member.

The boat has been meticulously maintained by the owner, who is an engineer. All systems on board are fully operational and well maintained with log and service books.

RIGGING AND SAILS

- Mainsail: Fully battened tri-radial top square hydranet - 112sqm
- Genoa: Tri-radial Hydranet 110% - 90sqm on electric furler
- Gennaker/code-0: Tri-radial stormlight with Logo on electric furler (sail torn, needs repair, won't be provided before sale)
- Asym Spinnaker: Tri-radial Contender Superkote 150 black with logo on top down electric furler (250sqm)
- Solent: Hydranet tri-radial + complete gear
- Rubber Boom support for noise suppression
- All Harken 60 or 70 electric winches and electric main traveller"
