Summary/Description

Wind of Change is A 29-meter (95-foot) sloop is known for her elegant lines, spacious accommodations, and excellent sailing performance. Designed by Ron Holland, one of the most celebrated yacht designers of all time that has build some of the most iconic and successful sailing yachts.

Wind of Change is a classic Ron Holland sailing yacht, designed for Brooke Marine and launched in 1988. She is a testament to Holland's mastery of yacht design, with elegant lines, excellent performance, and luxurious accommodations.

Wind of Change is a highly sought-after yacht, and for good reason. She is a true pedigree yacht, designed and engineered by one of the world's most respected yacht designers. Holland was inducted into the National Sailing Hall of Fame in 2023, and his yachts continue to inspire and amaze sailors everywhere.

Wind of Change is the perfect yacht for those who appreciate classic design, superior performance, and luxurious comfort.
