The master is full beam with large viewing windows and the second cabin is in the bow and both have heads. The bow has a nice large sun pad area that has reclining rear sections, cupholders, and hold rails for safety.

The Sunroof for the salon area provides massive amounts of sunlight and creates a true open air boat when under way. It has been serviced as well and operated flawlessly.

In the cockpit area, there is a substantial lounge, and side seating with plenty of storage and also the access for the crew quarters, which has a single berth, and private head.

The rear of the boat offers an hydraulic swim platform with capacity for a jet ski (not included).
