Summary/Description

This well maintained, fresh water Chris Craft 350 Catalina powered by twin 555 Cummins diesel engines with expansive interior is one of the most popular double-cabin cruisers produced. The boat has gone through an extensive refit with a long list of new items.

Introducing the 1979 Chris-Craft Catalina 35ft, a restored classic boat with a one-of-a-kind appeal. This remarkable vessel features a twin Cummins diesel engine that has undergone a complete overhaul, ensuring optimal performance. Impeccably remodeled inside and out, it showcases all-new appliances, beds, and flooring, creating a truly luxurious experience. Ideal for looping and liveaboard, it offers excellent fuel efficiency at 5-7 miles per gallon. With upgrades including new pumps, fresh paint, enhanced electronics, and meticulously maintained systems, this boat is a testament to craftsmanship and attention to detail. Embark on an unforgettable journey with this unique and meticulously restored Chris-Craft Catalina.

Walkthrough

We climbed up to the fully enclosed cockpit, that offers a comfortable L-shaped seat just behind the matching captain's chair, both new. The companionway is starboard, two steps brought us into the main salon, with a full galley, plenty of counter space, two bar stools, refrigerator, stove and 2 recliners.

The V-berth has brand new mattresses, new jeans covers, a cedar lined closet, 2 single berths and a brand new A/C unit.

Next to the companionway we stepped down towards the head, that has an electric toilet, molded shower, sink, storage space and 2 doors; one of the doors opens privately in the rear cabin, that offers a queen size bed, storage and a new window.

Exterior and Bridge

The boat showcases numerous upgrades, including a new 1-inch anchor rope, front bench, fresh upper paint, horns, seats on the bridge, painted upper, anchor light and wiring, and a helm extension for the radio. New anchor rope (1 inch)

Deck carpeting

New entry cedar grate

New ship-to-shore radio (cobra)

New helm and door hatch cover

Engine Compartment

Open the engine compartment to discover the impressive twin 555 Cummins Diesels, meticulously maintained with 507 injector pumps. No detail has been overlooked, with new fuel and oil filters, rebuilt starters, a rebuilt fuel injector pump, retimed valves, Velvet drive transmissions, upgraded wiring, heat blankets for enhanced safety, and heavy-duty battery cables. The boat is powered by new marine deep cell batteries, ensuring reliable performance. The engines have been thoroughly flushed and refilled with fresh anti-freeze. To keep the engine compartment well-ventilated, two new blowers and air ducts have been installed, complementing the all-stainless steel exhaust and pipes. Twin 555 Cummins Diesels with 507 injector pumps. Low hours on engines-2305 (break-in hours)

SALON

Step inside to a freshly repainted interior, complete with deck carpeting, a new entry cedar grate, ship-to-shore radio (Cobra), and a new helm and door hatch cover. The salon exudes elegance with a brand new liquor cabinet, featuring custom lighting and cedar TV wall hookup. Stay comfortable with the new air conditioning and heating system (Webasto).

Speakers and a kenwood KDC248 U,I pad direct
