Summary/Description

AWAY is a 124' (37.80m) motor yacht for sale, delivered in 2009 by Sanlorenzo and refit in 2023. This vessel can accommodate 12 guests in 5 staterooms and 8 crew in 4 cabins.

Overview

*Not for sale to US residents while in US waters.

The overall space and livability of this 124' triple deck motor yacht must be seen to be appreciated. With an interior volume of 308GT (larger than a 130' Westport - 299GT), she can comfortably accommodate 10 passengers in 5 cabins (12 with 2 x Pullmans). There is a generous on-deck, full beam Owner suite, with a study, generous walk-in closet and his and her heads.

The spacious upper skylounge, with a serving pantry and day head, leads to an exceptionally large upper aft deck, with a covered formal dining area seating 10 guests. There is also a lounge area under sunshades for 10 guests. Up to the sundeck, there is additional exterior entertaining space, with a formal wet bar, casual lounging area, plus hot tub and sun pads forward. These areas combined with a spacious covered aft deck and 2 sun pads plus a seating area on the foredeck gives exceptional exterior spaces allowing even the largest groups to get away and relax.

Key Features

- Zero speed stabilizers
- Jacuzzi on sundeck
- Complete new paint job (2019)
- Engine and generators rebuilt (2019)
- Entire teak deck replaced (2018)
- Shore power converter added 2022

Walkthrough

The versatility of AWAY is immediately evident as you walk up to step onboard. The many forms of accessing the boat include a hydraulic stern passerelle (for Med mooring) boarding gates to port and starboard of the aft deck or stepping onto the integral swim platform, with stairs up to the aft deck port and starboard. The covered aft deck is set up as a casual lounging area for 10 guests around a coffee table. From here there is easy access to the skylounge deck stairwell (behind a cleverly designed curved glass door that integrates into the main salon glass bulkhead), or the walk-around side decks (giving access to the guest lounging areas forward) or into the main salon through double sliding glass doors.

The salon is split into two, with a sectional leather sofa for relaxing, divided by a decorative storage/curio cabinet for the dining room forward. To starboard leading forward, is the main deck guest entrance, dayhead, and then leading to the on-deck, full beam, Owner suite. To port from the dining salon, leads to the stew pantry, crew entrance, and the on-deck galley.

From the guest entrance, there is a stairwell leading down to the 4 ensuite guest staterooms including 2 twin cabins (with Pulmans) plus 2 x queen VIP cabins.
